

Footprints Charity Song Lyrics – March 2024

If I had to live my life without you near me
The days would all be empty
And they would seem so wrong

You give my life new meaning, oh, so clearly
I've never known this love before
And it never felt this strong

Our dreams have changed and we both know
But they'll take us where we want to go
Hold you now, love you now
I can't imagine life without you

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love

Nothing's gonna change my love for you
You oughta know by now how much I love you
You changed my life its true
But nothing's gonna change my love for you

If the road ahead is not so easy
Our love will lead the way for us
Like a guiding star

I'll be there for you if you should need me
You don't have to change a thing
I love you just the way you are

So, come with me and share the view
I'll help you see the whole world too
Hold you now, love you now
I can't imagine life without you

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love

Nothing's gonna change my love for you
You oughta know by now how much I love you
You changed my life its true
But nothing's gonna change my love for you

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of

I'll never ask for more than your love

Instrumental

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love

Nothing's gonna change my love for you
You oughta know by now how much I love you
You changed my life its true
But nothing's gonna change my love for you

Nothing's gonna change my love for you
You oughta know by now how much I love you
One thing you can be sure of
I'll never ask for more than your love

Nothing's gonna change my love for you...
