

Directions to Footprints CEC at Iona School

Our address is:

Footprints Conductive Education Centre (Formerly School for Parents)
c/o The Iona School
310 Sneinton Dale
Nottingham
NG3 7DN

Our phone number is 0115 9586641

How to get to Footprints CEC

If driving from the city centre, you will travel up Sneinton Dale.

Pass PAK foods and the police station (both on your right), then cross a mini roundabout. From here, you will see a sign for **Iona School** on your right.

To the right of the Iona School sign there is a **narrow private road** with a steep incline. This is between the Bakersfield Community Centre and a bus stop. If you miss it, carry on up to the roundabout and come back. This drive leads up to our entrance within Iona School's grounds.

The private entrance to Iona School and Footprints CEC

Finding our car park

Drive up the hill to the top. You will drive past a new Mosque on your right.

Immediately before the green gates at the top of the hill, you will find our car park on your right for parent and staff parking.

Our entrance

On leaving your car, walk back down the hill for just a few metres and walk on to the level access on your right. There's now a security gate in place, please press the buzzer.

At the far end is our door with a Footprints Conductive Education Centre sign over the door.
